MANAGEMENT INFORMATION CIRCULAR

GENERAL INFORMATION

This Management Information Circular ("**Circular**") is furnished by the management of MCAN Mortgage Corporation, ("**we**", "**MCAN**", "**our**", the "**Company**" or the "**Corporation**"), which is soliciting proxies for use at the Annual General Meeting of Shareholders of the Corporation (the "**Meeting**"), and at any continuation after an adjournment or postponement thereof, to be held at the date, time and place and for the purposes set forth in the foregoing notice of Meeting.

This year, out of an abundance of caution, to proactively deal with the unprecedented public health impact of coronavirus disease 2019, also known as COVID-19, and to mitigate risks to the health and safety of our communities, shareholders, employees and other stakeholders, we will hold our Meeting in a virtual only format, which will be conducted via live audio webcast. Shareholders will have an equal opportunity to participate at the Meeting online regardless of their geographic location or share ownership. Shareholders will not be able to attend the Meeting in person. A summary of the information shareholders will need to attend the Meeting online is provided below.

It is expected that the solicitation will primarily be by mail. Proxies may also be solicited personally or by telephone by management. All expenses in connection with the solicitation of proxies will be borne by MCAN.

The mailing of the proxy materials to registered shareholders and non-objecting beneficial owners will be completed by MCAN on or about April 6, 2020. In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Meeting materials are being mailed to all registered shareholders (except those who have asked not to receive them) and to those beneficial shareholders who requested them (to the depository and intermediaries for onward distribution to such beneficial shareholders).

Unless otherwise stated, all information contained in this Circular is as at March 13, 2020.

INFORMATION ON VOTING

VOTING MATTERS

At the Meeting, shareholders will vote on the following matters:

1. The election of directors; and
2. The appointment of auditors.

Shareholders may not be able to distribute votes other than equally among the director nominees at the Meeting. If a shareholder wishes to distribute votes other than equally among the nominees, the shareholder should do so by following the instructions on the form of proxy provided with this Circular.

RECORD DATE FOR NOTICE OF MEETING

The Board has fixed March 23, 2020 as the record date (the "**Record Date**") for the purpose of determining shareholders entitled to receive notice of and to vote at the Meeting.

COMMON SHARES OUTSTANDING AND OWNERS OF MORE THAN 10% OF THE COMMON SHARES

As at the close of business on March 13, 2020, there were 24,292,882 common shares of MCAN ("**Common Shares**") outstanding and these Common Shares are the only voting securities of the Corporation. Except with respect to the election of directors, for which cumulative voting shall apply, each Common Share entitles the holder thereof to one

vote on each matter to be considered at the Meeting. The Common Shares trade under the symbol “MKP” on the Toronto Stock Exchange (“TSX”).

To the knowledge of the directors and executive officers of MCAN, as at March 13, 2020, the only person or company who beneficially owns, directly or indirectly, or exercises control or direction over more than 10% of the issued and outstanding Common Shares is the following:

Name	Number of Common Shares	Percentage of Common Shares
Ian Sutherland	3,586,986	14.77%

VOTING BY PROXY

REGISTERED SHAREHOLDERS

Registered shareholders may vote at the Meeting or may give another person authority to vote at the Meeting on their behalf by appointing a proxyholder. **To be valid, a proxy must be received by our transfer agent, Computershare Trust Company of Canada (“Computershare”), at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 in the postage prepaid envelope provided, by facsimile at 1-866-249-7775 or (416) 263-9524, or over the internet at www.investorvote.com, no later than 5:00 p.m. (Toronto time) on Friday, May 8, 2020, or at least 48 hours (excluding Saturdays, Sundays and holidays) prior to the commencement of an adjournment or postponement of the Meeting.** If you use your 15-digit control number to login to the Meeting and you accept the terms and conditions, you will be provided the opportunity to vote by online ballot at the appropriate time on the matters put forth at the Meeting. If you have already voted by proxy and you vote again during the online ballot, your online vote during the Meeting will revoke your previously submitted proxy. If you DO NOT wish to revoke a previously submitted proxy, do not vote again during the online ballot at the Meeting.

BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance if you do not hold your shares in your own name. You are a non-registered shareholder or “**beneficial owner**” if your shares are held by a nominee, that is, if your certificate has been deposited with or held by a bank, a trust company, an investment dealer, a stock broker, a trustee or any other institution. Under applicable securities legislation, a beneficial owner of securities is a “non-objecting beneficial owner”) (or “**NOBO**”) if such beneficial owner has, or is deemed to have, provided instructions to the intermediary holding the securities on such beneficial owner’s behalf not objecting to the intermediary disclosing ownership information about the beneficial owner in accordance with said legislation, and a beneficial owner is an “objecting beneficial owner” (or “**OBO**”) if such beneficial owner has or is deemed to have provided instructions objecting to the same.

If you are a NOBO, you received these materials from MCAN or its agent, and MCAN is required to seek your instructions as to the manner in which to exercise the voting rights attached to your shares. **The voting instruction form that is sent to a NOBO by MCAN or its agent contains an explanation as to how you can exercise the voting rights attached to your shares, including how to appoint yourself as proxyholder so you can ask questions and vote at the Meeting. Please read such instructions carefully in order to ensure that your shares are voted at the Meeting.**

If you are an OBO, you received these materials from your intermediary or its agent, and your intermediary is required to seek your instructions as to the manner in which to exercise the voting rights attached to your shares. The Corporation has agreed to pay for intermediaries to deliver to OBOs the proxy-related materials and the relevant voting instruction form. **The voting instruction form that is sent to an OBO by the intermediary or its agent should contain an explanation as to how you can exercise the voting rights attached to your shares, including how to appoint yourself as proxyholder so you can ask questions and vote at the Meeting. Please read such instructions carefully in order to ensure that your shares are voted at the Meeting.**

Beneficial shareholders who have not duly appointed themselves as proxyholder will not be able to participate or vote online at the Meeting and may only attend online as a guest. **If you are a beneficial shareholder and wish to ask questions or vote at the Meeting, you have to appoint yourself as proxyholder, by inserting your own name in the Appointee Section of the voting information form you received, returning the completed form in the envelope provided, via facsimile or the internet, and following all of the applicable instructions provided by your intermediary.**

APPOINTING A PROXYHOLDER

A proxyholder is the person you appoint to act on your behalf at the Meeting and to vote your shares in your name. You may choose anyone to be your proxyholder – the person you choose does not have to be a shareholder of MCAN. Simply follow the instructions below to appoint a proxyholder. You should be sure that the appointed person is aware that he or she has been appointed to vote your shares. If you do not insert a name in the blank space, then the persons named on the form, being Derek Sutherland, or failing him, Susan Doré, each of whom is a director of MCAN, will be appointed to act as your proxyholder.

Your appointed proxyholder is authorized to vote and act for you at the Meeting, including any continuation after an adjournment or postponement of the Meeting. On the form you should indicate how you want your proxyholder to vote your shares.

Shareholders who wish to appoint a third party proxyholder to represent them at the Meeting MUST submit their proxy or voting instruction form (as applicable) appointing such third party proxyholder prior to registering the third party proxyholder, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a Username to participate or vote at the Meeting.

- **Step 1** - Submit your proxy or voting information form: To appoint a third party proxyholder, insert such person's name in the blank space provided in the form of proxy or voting instruction form (if applicable) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form.
- **Step 2** - Register your proxyholder: To register a proxyholder, shareholders MUST visit <http://www.computershare.com/MCAN> by 5:00 p.m. (Toronto time) on Friday, May 8, 2020 and provide Computershare with the required proxyholder contact information, so that Computershare may provide the proxyholder with a Username via email. Without a Username, proxyholders will not be able to participate at the Meeting.

If you are a beneficial shareholder and wish to participate or vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your intermediary, follow all of the applicable instructions provided by your intermediary AND register yourself as your proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary.

VOTING DISCRETION OF PROXYHOLDER

If you give directions on how to vote your shares, your proxyholder must vote your shares according to your instructions. If your proxy form or voting instruction form does not specify how to vote on a particular issue, then your proxyholder can vote your shares as he or she sees fit. If your proxyholder does not attend and vote online at the Meeting, your shares will not be voted.

Shareholders may not be able to distribute votes other than equally among the director nominees at the Meeting. If a shareholder wishes to distribute votes other than equally among the nominees, the shareholder should do so by following the instructions on the form of proxy provided with this Circular.

If you have appointed a person designated by MCAN as proxyholder as provided in the form of proxy and you do not provide any instructions concerning a matter identified in the Notice of Meeting, the shares represented by such proxy will be voted as follows:

FOR the election of each of the eight persons nominated for election as a Director; and

FOR the appointment of Ernst & Young LLP as auditors.

The form of proxy confers discretionary authority on the persons named therein with respect to amendments or variations to matters identified in the notice of Meeting and with respect to other business which may properly be brought before the Meeting.

CUMULATIVE VOTING

Pursuant to MCAN's by-laws and the *Trust and Loan Companies Act* (Canada) (the "**Act**"), directors of MCAN are to be elected through cumulative voting in certain circumstances. Under the cumulative voting system, each shareholder has the right to cast a number of votes equal to the number of votes attached to the Common Shares held by the shareholder multiplied by eight, being the number of directors to be elected at the Meeting. The shareholder may cast all such votes in favour of one nominee or distribute them among the nominees in any manner. For example, a shareholder owning 100 Common Shares could cast 800 votes in favour of one nominee or distribute the 800 votes equally in favour of all nominees or distribute the votes in any other manner among the nominees, as long as the total number of votes cast for the nominees does not exceed 800.

If a shareholder votes for more than one nominee without specifying the distribution of the votes among the nominees, the votes will be distributed equally among the candidates voted for by that shareholder. **Shareholders may not be able to distribute votes other than equally among the nominees at the Meeting.** If a shareholder wishes to distribute votes other than equally among the nominees, the shareholder should do so by following the instructions on the form of proxy provided with this Circular. Shareholders are advised to read this section carefully, as proxies purporting to allocate more votes than a shareholder is entitled to, or otherwise completed in error, will be void.

The form of proxy enclosed with this Circular offers shareholders three options with respect to the election of directors. Shareholders may select only one option. Shareholders may:

1. vote for the election of all the nominees proposed in this Circular;
2. vote for one or more of the nominees proposed in this Circular by indicating beside each nominee's name the number of votes which the shareholder wishes to allocate to that nominee; or
3. withhold from voting for the election of directors.

REVOKING YOUR PROXY

If you are a registered shareholder and change your mind and wish to revoke your proxy, you may do so by signing a written statement outlining your instructions to revoke your previously submitted proxy (or authorizing your attorney in writing to sign a written statement to this effect) and delivering it to the Corporate Secretary at the head office of MCAN, 200 King Street West, Suite 600, Toronto, Ontario M5H 3T4, any time before 5:00 p.m. (Toronto time) on May 11, 2020, being the last business day immediately preceding the Meeting, or by depositing it with the Chair of the Meeting on May 12, 2020, prior to commencement of voting at the Meeting. **If as a registered shareholder you are using your 15-digit control number to login to the Meeting and you accept the terms and conditions, you will be provided the opportunity to vote by online ballot at the appropriate time on the matters put forth at the Meeting. If you have already voted by proxy and you vote again during the online ballot, your online vote during the Meeting will revoke your previously submitted proxy. If you DO NOT wish to revoke a previously submitted proxy, do not vote again during the online ballot at the Meeting.**

If you have submitted a form of proxy which distributes votes other than equally among the director nominees,

DO NOT vote again by online ballot at the Meeting if you want to continue to exercise cumulative voting. If you do so, your proxy will be revoked and shareholders may not be able to distribute votes other than equally among the nominees at the Meeting.

Beneficial shareholders should contact their intermediaries to discuss whether revocation is possible and, if so, for the procedures to be followed.

PARTICIPATING AT THE MEETING

MCAN is holding the Meeting as a completely virtual meeting, which will be conducted via live audio webcast. Shareholders will not be able to attend the Meeting in person. In order to participate or vote at the Meeting (including asking questions at the Meeting), shareholders must have a valid Username. BUSINESS TO BE TRANSACTED AT THE MEETING

FINANCIAL STATEMENTS

The audited consolidated financial statements of MCAN for the year ended December 31, 2019, and the auditors' report thereon will be placed before the Meeting. These audited consolidated financial statements form part of the 2019 Annual Report of MCAN.

ELECTION OF DIRECTORS

The election of MCAN's directors will take place, as required by the Corporation's by-laws and the Act, by cumulative voting. **Shareholders may not be able to distribute votes other than equally among the nominees at the Meeting. If a shareholder wishes to distribute votes other than equally among the nominees, the shareholder should do so by following the instructions on the form of proxy provided with this Circular.** Usually, shareholders of a public company are entitled to one vote per common share on all matters and a simple majority of the votes cast determines whether nominees are elected to the Board. However, the Act requires cumulative voting for the election of directors where more than 10% of the voting shares of a company governed by the Act are beneficially owned, directly or indirectly, by a shareholder. The process of cumulative voting is described on page 4. **Shareholders are urged to read that section carefully, as proxies purporting to allocate more votes than a shareholder is entitled to, or otherwise completed in error, will be void.**

The Board has established eight as the number of directors to be elected at the Meeting. If there are no nominees other than the eight individuals proposed in this Circular, the shareholders attending the Meeting online who are entitled to vote, will be asked to approve a resolution permitting a single vote to be held for all eight nominees. The resolution will require unanimous approval. If there are additional nominees, pursuant to MCAN's advance notice provisions for the nomination of directors, there will be a separate vote for each nominee. If the number of nominees exceeds the number of director positions to be filled, the nominees receiving the lowest number of votes will be eliminated and the nominees having the most votes will be elected as directors.

The management representatives named in the enclosed form of proxy intend to cast the votes to which the Common Shares represented by the proxy are entitled equally among the proposed nominees who are listed under "Information Concerning Nominees as Directors" starting at page 8, unless the shareholder who has given such proxy has directed that the Common Shares be otherwise voted or withheld from voting in respect of the election of directors.

Each director elected at the Meeting will thereafter hold office until the close of the next annual meeting of shareholders following the election of the directors unless the director's office is earlier vacated in accordance with the Corporation's by-laws and the Act. Six of the eight nominees listed on page 8 are currently directors of the Corporation, have been directors since the dates indicated and have held their present occupations for more than five years, except as noted in the respective director profiles starting at page 10. Management does not contemplate that any nominee will be unable to serve as a director, but if this should occur for any reason prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee at their discretion unless specifically instructed on the proxy form that the Common Shares are to be withheld from voting in respect of the election of directors.

ADVANCE NOTICE FOR NOMINATION OF DIRECTORS

In 2015, the Board approved certain by-law amendments including the adoption of advance notice provisions (the "**Advance Notice Provisions**") in circumstances where director nominations are made by shareholders of the Corporation, other than in connection with a requisitioned shareholders' meeting or a shareholder proposal in accordance with the Act. The Advance Notice Provisions fix a deadline by which shareholders must submit director nominations to the Corporation in writing prior to any annual or special meeting of shareholders where directors are to be elected and sets forth the specific information that a nominating shareholder must include in such notice for an effective nomination to occur.

Pursuant to the Advance Notice Provisions, in the case of an annual meeting of shareholders, notice to the Corporation must be made not less than 30 days prior to the date of that meeting; provided, however, that if the first public announcement of the date of the annual meeting is less than 50 days prior to the meeting date, notice may be made not later than the 10th day following such public announcement. In the case of a special meeting of shareholders (which is not also an annual meeting) called for any purpose which includes the election of directors, notice to the Corporation must be made not later than the 15th day following the day on which the first public announcement of the date of the special meeting was made.

INFORMATION CONCERNING NOMINEES AS DIRECTORS

The eight nominees as directors, listed below, have supplied the information concerning their principal occupation and the number of Common Shares of the Corporation beneficially owned or over which control or direction is exercised. Each director's term of office will expire at the close of the next annual meeting of shareholders following the election of directors. At the Meeting, the shareholders will be called upon, as recommended by the Board, to appoint Ernst & Young LLP ("E&Y") to hold office until the close of the next annual meeting of shareholders.

E&Y reports directly to the Audit Committee and has been MCAN's external auditor since November 1991. In addition to performing the audit of the Corporation's consolidated financial statements, E&Y provided other services to the Corporation and its subsidiaries. The Corporation performs an annual assessment of E&Y and, at least every five years, a comprehensive review of E&Y.

The following table presents, by category, the fees billed by E&Y for the fiscal years 2019 and 2018:

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The objective of the Statement of Corporate Governance Practices is to provide shareholders and other stakeholders with a clear vision of our governance policies and practices. We believe these policies and practices comply with the disclosure and listing requirements of the TSX and the corporate governance guidelines set out in National Policy 58-201 – *Corporate Governance Guidelines* and National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (collectively the “**Corporate Governance Guidelines**”).

The Board regularly reviews governance practices and processes to ensure the Board continues to effectively oversee management and our business affairs and to ensure our governance framework meets regulatory requirements.

COMPOSITION OF THE BOARD

The Board will be composed of eight directors after the Meeting. The Board determines the independence of a director annually when the Board approves director nominees for inclusion in the annual circular, prior to the appointment of a new director between annual meetings, and as circumstances arise during the year.

Director independence is determined by the Board through a fact based and context driven analysis and in accordance with MCAN’s Director Independence Policy and National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”) and Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions*, as applicable. A director is considered independent only when the Board determines that the director does not have an interest that could, in the view of the Board, be reasonably expected to interfere with, or be perceived to affect the exercise of a director’s independent judgement. In determining whether a director is independent for purposes of general corporate governance, and in the context of a specific transaction, the Board will consider certain factors that could be perceived to amount to or create a conflict of interest, including, but not limited to: past service as an executive of MCAN, consulting or other commercial relationships with MCAN, directly or indirectly having, or having a spouse who has, a significant interest or substantial investment in, or being, or having a spouse who is, a significant borrower in respect of, MCAN, and other business, personal or family relationships with MCAN, MCAN affiliated entities and its counterparties.

If a director or proposed director has a material relationship, the members of the Board who are independent within the meaning of the Director Independence Policy shall determine whether the relationship does in fact affect independence by judging the overall “independent mindedness” of the individual. The Board shall make an affirmative determination for each independent director that such director does not have a material relationship.

Following a review conducted by its Conduct Review, Corporate Governance & Human Resources Committee (the “**CRCG&HR Committee**”), the Board has determined that seven of the eight nominees as directors, representing a majority of the directors, have no material relationship with MCAN and are therefore independent at the date of this Circular.

The Corporation, therefore, complies with the Corporate Governance Guidelines which stipulate that the Board should have a majority of independent Directors.

On May 5, 2017, CHC was granted a management cease trade order by the Ontario Securities Commission as a result of CHC’s inability to file its audited annual financial statements, management’s discussion and analysis and related certifications for the fiscal year ended December 31, 2016 on or before May 1, 2017, as required under applicable securities laws. The order was lifted on July 4, 2017. Due to a disagreement relating to the company’s corporate strategy, Mr. Gillin resigned as a director of CHC on March 5, 2018.

For the purposes of the above paragraph, “order” means (i) a cease trade order; (ii) an order similar to a cease trade order; or (iii) an order that denied the relevant company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days.

To the knowledge of management of MCAN, no proposed director of MCAN (i) is, as at the date of this Circular, or has been within 10 years before the date of this Circular, a director or executive officer of any company (including MCAN) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets, or (ii) has, within 10 years before the date of this Circular, become bankrupt, made a

proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such proposed director.

To the knowledge of management of MCAN, no proposed director of MCAN has been subject to (i) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (ii) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

BOARD DIVERSITY POLICY

The Board has adopted a Board Diversity Policy (the “**Diversity Policy**”) that sets out the approach to diversity on the Corporation’s Board.

The Corporation believes that a diverse board will enhance the decision making of the Board by utilizing the different skills, experience and background, geographical and industry experience, ethnicity, gender, knowledge and length of services, and other distinguishing qualities of the members of the Board. Diversity will be considered in determining the optimum composition of the Board, and all appointments will be based on merit, having due regard to the overall effectiveness of the Board.

The CRCG&HR Committee is responsible for annually reviewing and assessing Board composition on behalf of the Board and will make recommendations to the Board on the appointment of new directors.

- In reviewing Board composition, the CRCG&HR Committee will consider the benefits of all aspects of diversity including, but not limited to, those described above, in order to enable it to discharge its duties and responsibilities effectively.
- In identifying suitable candidates for appointment to the Board, the CRCG&HR Committee will consider candidates based on merit using objective criteria having due regard to the benefits of diversity and the needs of the Board. In an effort to promote the specific objective of gender diversity, the Diversity Policy requires that the selection process for suitable candidates must involve the following steps:
 - a list identifying potential candidates for the appointment must be compiled and must include at least one female candidate; and
 - if, at the end of the selection process, a female candidate is not selected, the Board must be satisfied that there are objective reasons to support its determination.
- As part of the biennial performance evaluation of the effectiveness of the Board, Board committees and individual directors, the CRCG&HR Committee will consider the balance of skills, experience, independence and knowledge of the Corporation on the Board and the diversity representation of the Board, including but not limited to gender, how the Board works together as a unit, and other factors relevant to its effectiveness.

The CRCG&HR Committee will discuss and agree annually on all measurable objectives for promoting diversity on the Board, recommend them to the Board for adoption and report on the annual and cumulative progress for achieving the measurable objectives.

The CRCG&HR Committee will monitor and implement the Diversity Policy on a continuous basis and report to the Board annually on the achievement of the measurable objectives for promoting diversity. In addition, the CRCG&HR Committee will review the Diversity Policy annually, discuss any revisions that may be required and recommend any such revisions to the Board for approval.

PUBLIC COMPANY DIRECTORSHIPS

If a nominee as director is a director of another issuer that is a reporting issuer in a Canadian jurisdiction, that relationship is identified in the respective director profiles starting at page 10. The CRCG&HR Committee, when considering nominees, takes into account other commitments of the nominees and their anticipated ability to participate actively at Board and Committee meetings.

INTERLOCKING DIRECTORSHIPS

No nominee as director currently serves with any other director of the Corporation on the board of another company that is a public issuer.

MAJORITY VOTING FOR DIRECTORS

The Board has adopted a Majority Voting Policy for the election of directors. Any nominee in an uncontested election who receives more withheld votes than votes in his or her favour shall be considered to not have received the support of shareholders. Such nominee is required to immediately tender his or her resignation to the Board.

The CRCG&HR Committee will consider the resignation offer and will make a recommendation to the Board on whether or not to accept it. A resignation could only be refused in exceptional circumstances. Within 90 days following the applicable meeting of MCAN's shareholders, the Board will make its decision, taking into consideration the CRCG&HR Committee's recommendation. The Board will promptly disclose its decision, via press release. A director who tenders his or her resignation pursuant to this policy will not be permitted to attend any meeting of the Board or CRCG&HR Committee, at which his or her resignation is considered.

This policy is consistent with the requirements of the TSX and applies only to uncontested elections, meaning elections where the number of nominees for directors is equal to the number of directors to be elected upon such election as determined by the Board. A copy of this policy can be found on MCAN's web site at <https://mcanmortgage.com/investors/corporate-governance/>.

BOARD MANDATE

At the time of the 2019 annual and special meeting of shareholders, the Board was composed of ten directors. The Board size was subsequently decreased to eight directors effective May 2019. The directors demonstrated strong commitment to their roles and responsibilities through their attendance rate at Board and Committee meetings.

MEETINGS OF INDEPENDENT DIRECTORS

The independent directors meet without the non-independent directors each quarter, or as many times as required. There were four meetings of the independent directors during the financial year ended December 31, 2019. Ms. Doré, as Lead Director, chaired these meetings until August 7, 2019. The Chair of the Board, Mr. I. Sutherland, chaired the meetings thereafter upon confirmation of his independence by the Board. The Lead Director position was subsequently eliminated.

ETHICAL BUSINESS CONDUCT

The Board establishes the tone from the top and helps ensure that senior management has integrity and can create and sustain a culture of integrity in the Corporation.

The Code of Business Conduct & Ethics (the “**Code**”) has been adopted by the Board and is available on our website at <https://mcanmortgage.com/investors/corporate-governance/>, on SEDAR at www.sedar.com or by request to the Corporate Secretary by telephone at (416) 591-5214 or by facsimile at (416) 598-4142.

Under MCAN’s Code, all directors, officers and employees must demonstrate a commitment to ethical business practices and behaviour in all business relationships, both within and outside of MCAN. Each year, directors, officers and employees must execute a declaration certifying compliance with the Code. The Board, through its CRCG&HR Committee and the ERM & Compliance Committee, annually reviews the operation of the Code and monitors compliance and any waivers or amendments thereof.

The Board has not granted any waiver of the Code in favour of a director or executive officer for all of 2019 or up to the date of the Circular. Accordingly, no material change report relating to the conduct of a director or executive officer has been required or filed.

The Code also references the Whistleblowing Policy that allows officers or employees who become aware of potentially improper or unlawful conduct in the workplace, or have concerns regarding questionable accounting or auditing matters, to report the violation on a confidential and anonymous basis to the Chair of the Audit Committee.

The Board believes that its effectiveness is furthered when directors exercise independent judgement in considering transactions and agreements. As such, if at any Board meeting a director has a material interest in a matter being considered, such director must indicate the nature and extent of interest in the material transaction or agreement and such interest must be recorded in the minutes of the meeting. The director will either vacate the meeting or abstain from any discussions relating to the matter and will not participate in any vote on the matter. The Board may also appoint a committee of independent directors to consider material transactions or agreements.

BOARD TENURE AND RENEWAL

The Board has adopted a Board Tenure and Renewal Policy (the “**Policy**”) to ensure ongoing Board renewal, sustain Board performance and add expertise. According to the Policy, directors may serve until the earlier of when they turn 70 years of age or they have served 15 years. However, all directors will be allowed to serve for at least five years, regardless of their age, subject to annual review by the Board. The Policy allows for the Board to recommend any director for re-election after age 70 or the expiry of the 15 year term, in exceptional circumstances or to further the best interests of the Corporation.

An officer will resign from the Board when no longer employed by the Corporation. However, the Board may request a former CEO to continue as a director for a term not longer than five years in exceptional circumstances.

The CRCG&HR Committee reviews, on an annual basis, the tenure of individual directors. This review includes:

- a skills matrix to ensure the Board possesses the requisite experience, expertise and business and operational insights for the effective stewardship of the Corporation; and

- a Board succession template that indicates the years of service, with suggested retirement dates.

In addition, to ensure adequate board renewal, the CRCG&HR Committee is responsible for leading a full evaluation of the effectiveness and performance of the Board, all Board committees and individual directors every two years. The evaluation process is outlined under “Board Assessments” below.

The CRCG&HR Committee monitors and implements the Policy and reports to the Board thereon. In addition, the CRCG&HR Committee reviews the Policy annually, discusses any revisions that may be required and recommends any such revisions to the Board for approval.

The chart below shows the amount of time that the eight director nominees for election at the 2020 Meeting have been on MCAN’s Board:

Range	Percentage
0 - 5 years	76% (6 of 8)
6 - 10 years	12% (1 of 8)
Over 11 years	12% (1 of 8)

NOMINATION OF DIRECTORS

The CRCG&HR Committee, which is composed entirely of independent directors, is responsible for screening candidates and for recommending nominees for election to the Board. Candidates are approved by the full Board.

The CRCG&HR Committee considers candidates from an “evergreen” list maintained by the CRCG&HR Committee in anticipation of upcoming director elections and when Board vacancies occur; as proposed by other directors and/or executive management; and as proposed or nominated by shareholders prior to shareholder meetings in accordance with MCAN’s advance notice provisions for the nomination of directors.

Once proposed, a prospective director must complete a questionnaire entitled “Questionnaire for Prospective Directors” for review by the CRCG&HR Committee. The prospective director then proceeds to the next step of evaluation, which is normally an in-person interview with members of the CRCG&HR Committee, and, at the CRCG&HR Committee’s discretion, with other members of the Board.

The CRCG&HR Committee then makes a recommendation to the Board, which recommendation is accompanied by the “Conduct Review, Corporate Governance & Human Resources Committee – Prospective Director Review Form”.

MCAN uses a variety of measures to orient new directors regarding the role of the Board, its committees and its directors, and provides a number of continuing education opportunities regarding the nature and operation of MCAN's business. Once potential Board members have been elected or appointed to serve on the Board, certain measures are undertaken before the member's first Board meeting. These measures include meetings with other members of the Board and key members of the management team, specific presentations and/or training by members of the management team, including with respect to the use of the web portal. The web portal contains a Directors' Manual which includes information on Board and committee membership; the director independence policy; duties of directors; committee mandates; mandates of the Chair of the Board, each committee chair and the executives; the code of business conduct & ethics; insider trading policy; and the Corporation's by-laws. The web portal also houses previous Board and committee meeting packages. In addition, the portal contains all the Corporation's policies. New directors are directed to the recent annual and quarterly financial reports, including management's discussion and analysis and the Annual Information Form on SEDAR or on the Corporation's web site. MCAN also provides new directors with specific information on operations, the strategic plan, risk and risk management, governance, integrity and corporate values.

Options for committee involvement based on interests, skills and preferences of the new directors and the requirements and challenges of the committees they join are discussed. New directors are also invited to attend a full set of committee meetings, and if, considered beneficial, Board members may be assigned a mentor to work with them at least through the first several months. Depending on the timing of the appointment, a new director, prior to officially joining the Board, may also be invited to attend MCAN's strategic planning session.

On an ongoing basis, as part of regular Board meetings or otherwise, presentations are made to the Board to educate and keep them informed of changes within MCAN and in regulatory and industry requirements and standards. Specific information is provided on financial reporting, risks and economic indicators specific to our business and the current business and commercial environment. In an effort to provide directors with a more complete understanding of the issues facing MCAN, directors are encouraged to attend other Board committee meetings of which they are not a member when presentations are made (subject to conflict of interest obligations of the relevant director). Directors are also provided with the materials and minutes of all Board committee meetings, irrespective of whether they are a member of the committee. In addition, separate sessions, if required, are held for the directors to better understand specific programs. Directors are also encouraged to undertake training and attend education sessions on topics of relevance to MCAN offered by outside sources if they deem it necessary. MCAN's directors have been members of the Institute of Corporate Directors ("ICD") since 2014. Through continuing education, tools and resources, thought leadership and advocacy offered by ICD, MCAN's Board has the opportunity to leverage and translate a wealth of shared wisdom into the highest standard of directorship.

Training sessions from external and internal sources are arranged from time to time. During 2019, the following sessions were arranged:

Subject Matter/Topic Presented	Presented/Hosted By	Dates	Attended By
Regulatory Changes - New Liquidity Guideline and B-12 Interest Rate Risk Guideline	Management Team	May 7, 2019	All directors

BOARD ASSESSMENTS

The CRCG&HR Committee leads a full evaluation of the effectiveness and performance of the Board, all Board committees and individual directors (self and peer) every two years. The evaluation includes the completion of online questionnaires and/or director interviews conducted by the Chair of the Board and the Chair of the CRCG&HR Committee based on a director interview guide. The results of the evaluations are tabulated and analyzed by the Chair of the Board and the Chair of the CRCG&HR Committee and are presented to the CRCG&HR Committee and the Board with any recommendations for improving the functioning and composition of the Board.

In December 2018, the evaluation was conducted through online questionnaires. The results were presented to the Board in February 2019. The results indicated that the Board, committees and individual directors were effectively fulfilling their responsibilities.

The next set of evaluations is scheduled for December 2020, at which time the Committee will review its current process and consider whether a review by an external party is required.

MANAGEMENT

RESPONSIBILITIES OF THE CHIEF EXECUTIVE OFFICER (“CEO”)

The CEO is accountable for executing the Corporation’s strategic direction approved by the Board including effectively managing risks, issues, opportunities and changes to plans. The CEO must lead effective management and continual control and improvement of operations as required to implement the strategic plan within the Board approved risk appetite and regulatory frameworks and profitability targets overall.

The CEO is accountable for risk management and compliance capabilities across the organization, including maintaining a strong risk culture throughout the company to ensure that all key stakeholders’ (company employees, shareholders, regulatory bodies, depositors, customers and business partners) interests are served.

The CEO provides credible and agile leadership and direction to the executive team to ensure effective execution of business plans and operations and leads by example for integrity, respect and sound judgement. The CEO is the primary spokesperson for the company.

SUCCESSION PLANNING

The CRCG&HR Committee has responsibility for the succession planning process for the CEO and the other executive officers.

The Board assesses, with input from the CRCG&HR Committee, the need to fill potential vacancies whether arising through retirement or otherwise and whether qualified internal candidates are identified to fill such vacancies on an immediate and longer-term basis. The Board meets periodically with members of the senior management team through their participation in meetings and presentations to the Board, at the annual strategic planning session and through informal meetings throughout the year. Such meetings provide the opportunity for Board members to get to know the senior management team of the Corporation and assess their executive leadership potential. Executive assessments are also performed and development opportunities are identified which together form part of the talent management process at the executive level.

The Corporation recognizes the importance of leadership roles in the achievement of its strategic goals. Succession planning exercises are conducted for all senior management positions annually and updates are provided to the CRCG&HR Committee. Leadership development opportunities are discussed at a company-wide level and leadership development plans for emerging leaders are reviewed and updated.

EXECUTIVE OFFICER DIVERSITY

The Board adopted an Executive Officer Diversity Policy (the “**EO Diversity Policy**”) that sets out the Corporation’s approach to diversity in executive officer roles.

An “executive officer” means each officer appointed by the Board from time to time and, as at the date hereof, means:

- President & Chief Executive Officer,
- Vice President & Chief Financial Officer,
- Vice President & Chief Risk Officer,
- Vice President, Single Family Mortgage Operations,
- Vice President, Investments,
- Vice President & Chief Audit Officer,
- Vice President, Chief Compliance Officer, CAMLO & Privacy Officer,
- Vice President, Information Technology, and
- Vice President, Corporate Secretary & Governance Officer.

While the Corporation appreciates that diversity, including, but not limited to, gender, age and ethnicity, are important and valuable considerations in assessing executive officers, other factors such as performance, qualifications, capabilities and experience are also considered when choosing and recruiting executive officers. The best candidate whose portfolio of skills is most suited for the position is selected and no one aspect of diversity, including gender, is the decisive factor.

The CRCG&HR Committee oversees succession planning on behalf of the Board and will make recommendations to the Board on the appointment of executive officers, taking into account various aspects of diversity, including gender.

- In reviewing the succession plan for the executive officers, the CRCG&HR Committee will consider the benefits of all aspects of diversity, including, but not limited to, those described above.
- The CRCG&HR Committee considers candidates on merit based on performance, qualifications, capabilities and experience and with due regard for the benefits of diversity. In an effort to promote the specific objective of gender diversity, the EO Diversity Policy requires that the succession plan for executive officers must involve the following steps:
 - a list identifying potential candidates for executive officer appointments must be compiled and must include at least one female candidate; and
 - if, at the end of the selection process, a female candidate is not selected, the CRCG&HR Committee must be satisfied that gender was not the decisive factor and that proper consideration was given in the decision making to the CRCG&HR Committee’s objective of enhancing diversity among the executive officers.

The CRCG&HR Committee will monitor and implement the EO Diversity Policy and report to the Board thereon. In addition, the CRCG&HR Committee will review the EO Diversity Policy annually, discuss any revisions that may be required and recommend any such revisions to the Board for approval.

The following table sets out the number and percentage of women who served or are serving as executive officers at MCAN since 2018:

As At	Target By 2020	# of Women Executive Officers	Total # of Executive Officers	%
March 13, 2020	25%	5	9	55%

DIRECTORS' COMPENSATION

COMPENSATION POLICY

The CRCG&HR Committee reviews director compensation annually and recommends any compensation changes to the Board for approval when considered appropriate or necessary to recognize the workload, time commitment and responsibility of the Board and committee members. In doing so, comparative data of other public companies was used. The companies used in the comparison included Atrium Mortgage Investment Corporation, B2B Real Estate Investment Trust, Equitable Group Inc., Firm Capital Corporation, First National Financial Corporation, Home Capital Group Inc., and VersaBank.

The following compensation structure was in effect for 2019:

Compensation - For 2019	\$
Chair of the Board Annual Retainer	100,000
Annual Director Retainer	35,000
Annual Committee Chair Retainer	20,000
Annual Lead Director Retainer	10,000
Board Meeting Fee (per quarterly meeting)	1,500
Committee Meeting Fee (per quarterly meeting)	1,500
Off-cycle/Other	
> than 2 hours	1,500
< than 2 hours	750

For fiscal 2019, each director who was not employed by MCAN or any of its subsidiaries was entitled to receive remuneration, paid in the form of cash only, for each meeting attended of the Board or any committee thereof of which such director is a member, together with an annual retainer. The Chair of the Board was entitled to the Chair of the Board Annual Retainer only and did not receive any other retainers or fees. Directors are reimbursed for their out-of-pocket expenses incurred in attending meetings and otherwise carrying out their duties as directors. Pursuant to the by-laws of MCAN that were in effect for fiscal 2019, the aggregate amount of remuneration which may be paid by MCAN to its directors (for their services as directors) cannot exceed \$1,000,000 in any year. Any future increases to this total amount will require shareholder approval. In 2019, the total fees paid by MCAN to its directors were \$614,340. MCAN does not offer its non-employee directors any equity compensation.

In December 2019, the Board adopted the growing trend of having one retainer replace the retainers and meeting fees payable to the directors and adopted the following compensation structure effective January 1, 2020:

Compensation - Effective January 1, 2020	\$
Annual Director Retainer ⁽¹⁾	62,000
Annual Chair of the Board Retainer	50,000
Annual Committee Chair Retainer	20,000

Notes:

(1) The annual director retainer is paid to all directors, including the Chair of the Board.

DIRECTOR SHARE OWNERSHIP

MCAN's share ownership requirement is intended to align directors' interests with the shareholders they represent. In December 2019, the Board amended the Director Share Ownership Policy to reflect the new director annual retainers, effective January 1, 2020. All non-executive directors are required to reach an equity ownership target equal to two times the annual director retainer within three years of joining the Board, measured at the higher of cost or market value as at December 31st of each year. The Chair of the Board is also required to hold shares with a value of at least two times the annual retainer for the position, measured at the higher of cost or market value as at December 31st of each year, within three years of appointment. If the requirement was previously met and the market value subsequently changed such that the director was offside, the director has one year to attain compliance.

COMPENSATION DISCUSSION AND ANALYSIS

COMPENSATION GOVERNANCE

The CRCG&HR Committee assists the Board in establishing MCAN's compensation philosophy and structure, and in discharging its oversight accountabilities relating to the compensation and retention of senior management employees, and in particular, the CEO. At March 13, 2020, the CRCG&HR Committee was comprised of Susan M. Doré (Chair), Verna E. Cuthbert, Gaelen J. Morphet and Derek G. Sutherland. All members of the CRCG&HR Committee are independent directors of the Board.

All members have direct experience in compensation matters as either former executive officers, partners and legal counsel in law firms or through board positions in other publicly traded companies.

Ms. Doré has been an officer and/or a director of MCAN and predecessor companies for over thirty-five years and has had significant experience in compensation and related matters. She is an Institute of Corporate Directors, Director in Canada and a member of the Institute of Corporate Directors.

Ms. Cuthbert is a member of the Law Society of Ontario (Ontario Bar call 1976) and *avocate à la retraite* of the Barreau du Québec (Quebec Bar call 1986). Until her recent retirement she was a partner and counsel with Fasken Martineau DuMoulin and prior to that a partner in a major international law firm based in New York City. She is also a member of the Institute of Corporate Directors, the Association des Femmes en Finance du Québec and governor of both the Fondation du Barreau du Québec and Fondation du centre des femmes de Montréal. Having practised corporate and commercial law for over forty years, she has had a number of years of experience in dealing directly with compensation matters for both public and private corporate clients, partners, associates, and staff.

Ms. Morphet has previously served as an executive officer of investment and insurance companies in Canada, including Sentry Investments, Empire Life Investments and Empire Life Insurance and CIBC Asset Management. She has been involved in executive compensation matters throughout her career. As an executive in the financial industry in Canada for over twenty years, she has had multiple experiences in dealing with compensation matters in public and private companies.

Mr. D. Sutherland has been an officer and/or a director of MCAN for over fifteen years and prior to that was in the assurance practice of KPMG LLP. His time in the financial industry and in assurance has provided a broad experience in compensation and related matters. He is an Institute of Corporate Directors, Director in Canada and a member of the Institute of Corporate Directors. Mr. D. Sutherland also serves on the Board of Directors of a private company regulated by the Office of the Superintendent of Financial Institutions.

Collectively, this experience provides the CRCG&HR Committee with the knowledge, skills, experience and background in executive compensation and human resources matters to make decisions on the suitability of MCAN's compensation policies and practices.

The responsibilities, powers and operation of the CRCG&HR Committee are set out in its mandate, which is available on the Corporation's web site at <https://mcanmortgage.com/investors/corporate-governance/>.

The CRCG&HR Committee carries out the responsibilities of the Board in respect of compensation matters and makes recommendations to the Board as appropriate. In particular, the CRCG&HR Committee is responsible for making recommendations to the Board relating to the:

- annual non-financial strategic objectives applicable to each of the Corporation's Named Executive Officers (together the "NEOs" and each a "NEO");
- performance evaluation of the CEO;
- administration of the Corporation's equity and non-equity incentive plans; and
- review and recommendation of director compensation.

The CRCG&HR Committee held five regularly scheduled meetings in fiscal year 2019. The CEO attends meetings of the CRCG&HR Committee but does not have the right to vote on any matter. Other senior officers may also attend parts of a meeting for presentation purposes. No officer, including the CEO, is present when his or her compensation is discussed.

The CRCG&HR Committee has instituted good governance practices that enhance its ability to effectively carry out its accountabilities. These practices include:

- utilizing a work plan which sets out the timetable of all regularly occurring matters for which the CRCG&HR Committee has accountability;

- hiring an external advisor at least every three years to advise the CRCG&HR Committee on compensation levels and structure, and requiring their attendance when their reports are discussed and when requested to attend by the Chair of the CRCG&HR Committee; and
- holding in-camera sessions without management present during every CRCG&HR Committee meeting.

COMPENSATION CONSULTANT

The CRCG&HR Committee commissions a third party to review executive compensation and to conduct a benchmarking analysis of the executive compensation program and oversight functions on a historical basis, at least every three years. In addition, the CRCG&HR Committee annually reviews data from the comparator companies from SEDAR or other sources to ensure that compensation levels continue to be competitive. In 2018, Perrault Consulting Incorporated (“PCI”) was engaged by the CRCG&HR Committee to assist in a benchmarking compensation program to compare compensation levels of the senior executives of MCAN to comparator companies. The next executive compensation review is scheduled for November 2020.

For 2018, there were fourteen companies from the mortgage, financial services and real estate sectors used in the comparison. These companies employ executives with similar skills and experience to MCAN’s executives. For 2018 the companies included in the peer group were: BTB REIT, Clairvest Group Inc., Crown Capital Partners Inc., Firm Capital Mortgage Investment Corporation, First National Financial Corporation, Killam Apartment REIT, MCAP Commercial LP, Plaza Retail REIT, Sprott Inc., Street Capital Corporation, Timbercreek Financial Corporation, Versa Bank, Atrium Mortgage Corporation and Senvest Capital Inc.

Many of the comparators are much larger and more complex than MCAN. The smaller comparators were selected to represent a similar size and complexity to MCAN. All comparator companies are publicly listed with the exception of MCAP Commercial LP, in which MCAN has a 14.02% interest.

The following table lists the aggregate fees billed by PCI:

EXECUTIVE COMPENSATION

MCAN's executive compensation program focuses on performance and is designed to reflect management's expected contribution to MCAN and to encourage them to act in a manner which furthers MCAN's goals, is consistent with MCAN's chosen strategy and risk appetite, and enhances long-term profitability.

Compensation for executive officers is comprised of three components – base salary and benefits, annual incentive and long-term incentive programs.

MCAN wishes to attract, retain and motivate results-oriented individuals who will contribute to its long-term success. MCAN's compensation strategy achieves this by:

- linking management performance with the achievement of the Company's strategic objectives;
- supporting and reinforcing its business and risk management strategies; and
- ensuring that MCAN's compensation programs are competitive with the market and industry practices.

We outline our compensation program design, specifically with respect to the following NEOs in 2019:

ALIGNING COMPENSATION WITH THE FINANCIAL STABILITY BOARD'S PRINCIPLES

The Financial Stability Board's Principles (the "FSB Principles") were designed to enhance the stability and soundness of financial institutions by protecting them against excessive risk taking. The Corporation believes that its approach to compensation aligns with the Office of the Superintendent of Financial Institutions' Corporate Governance Guideline and with the FSB Principles as outlined in the table below:

FSB Principles	MCAN's Compensation Practices
<p>The Board actively oversees the design and operation of the Company's compensation system</p>	<ul style="list-style-type: none"> • The Board, through the CRCG&HR Committee, establishes MCAN's compensation philosophy and structure. • The CRCG&HR Committee recommends and the Board approves the CEO and other executive officer compensation. • The CRCG&HR Committee, composed of 4 independent directors: <ul style="list-style-type: none"> o Oversees the hiring, promotion and compensation of executive officers. o Ensures effective succession and leadership development planning is in place. o Approves and amends material compensation programs. o Reviews the performance of the executive officers and awards of annual incentive and LTIP and recommends approval to the Board. • The CRCG&HR Committee assesses the performance of the CEO. • The CRCG&HR Committee meets in camera for part of each Committee meeting and provides its report to the Board. • At least every three years the CRCG&HR Committee obtains advice on the components of compensation from independent compensation consultants.
<p>The Board monitors and reviews the compensation system to ensure it operates as intended</p>	<ul style="list-style-type: none"> • Key performance objectives are approved by the CRCG&HR Committee at the beginning of the year and performance against those objectives is evaluated periodically during the year and at the end of each year in order to establish that year's annual incentive awards. • No less than every three years the CRCG&HR Committee obtains advice on the components of compensation from independent compensation consultants.
<p>Employees in financial and risk control functions must be compensated in a manner that is independent of the business areas they oversee</p>	<ul style="list-style-type: none"> • Compensation for all financial and risk employees is determined based on the Company's EPS target, CORE EBT target and their individual performance and is independent of the specific business unit they support.
<p>Compensation is adjusted for all types of risk</p>	<ul style="list-style-type: none"> • All executive compensation plans have a discretionary element that permits the CRCG&HR Committee to consider risk when determining awards. Strategic goals encompass all aspects of risk with a focus on five strategic pillars: Strategic Direction, Risk Management & Controls, Operational Effectiveness, Leadership and Governance. • For the CEO, VP CFO, VP Investments, and VP SFMO, the annual incentive is based on 60% Company performance and 40% personal and strategic goals. • For the VP CRO, the annual incentive is based on 40% Company performance and 60% personal and strategic goals.

FSB Principles	MCAN's Compensation Practices
Compensation outcomes are symmetric with risk outcomes	<ul style="list-style-type: none"> • Annual incentives are based on pre-established thresholds, targets, and maximum percentages of base salary by employee level, with no minimums or guaranteed annual incentives. • No special or transactional payments have been made since 2008. • Incentive compensation for the CEO, VP CFO and VP Investments, is subject to claw back and forfeiture in the event of a financial restatement resulting from intentional fraud or willful misconduct. • Incentive compensation for all employees is subject to forfeiture if an employee resigns or is terminated for cause. • The CRCG&HR Committee has discretion, which it has used, to make annual incentive payments in excess of target in RSUs in lieu of cash, which defers payment for 3 years. • Annual incentive targets incorporate both corporate performance and individual performance goals. The personal and strategic goals comprise the balance of the annual incentive and relate to specific objectives in the plan. For all executives, these objectives include ERM and regulatory initiatives.
Compensation payouts are aligned with the time horizon of risks	<ul style="list-style-type: none"> • Since 2009 MCAN has moved a significant share of total compensation to longer term incentives based on compensation governance trends and the risk-based approach of the FSB Principles. • Since 2008 base salaries have only been increased by an inflationary factor or for new roles and/or market adjustments based on compensation consultants' recommendations approved by the Board. A significant portion of each executive's pay is in long-term incentives to ensure alignment of compensation with the risk time horizon and to enhance focus on longer-term value.
The mix of cash, equity, and other forms of compensation is consistent with risk alignment	<ul style="list-style-type: none"> • The portion of LTIP based compensation increases with seniority (the CEO receives the highest portion of compensation in LTIP, followed by the VP, CFO and VP, Investments). • For the CEO, at risk compensation comprises 52% of total compensation. At risk compensation is comprised of a combination of annual incentive and LTIP. For 2019, the annual incentive component for the CEO was 0%. • For the other NEOs, at risk compensation comprises approximately 42% of total compensation. At risk compensation is comprised of annual incentive and LTIP. • LTIP is in the form of PSUs, RSUs and Common Shares pursuant to the ESP Plan. The awarding of PSUs is based on EPS during the 3 years the PSUs are held. In 2020, the awarding of the PSUs will include EPS and CORE EBT as performance factors, weighted equally. • Management at any one time has targets and potential payments set out over a 3 year period to discourage the taking of excessive risks to increase short term profits.

FSB Principles	MCAN's Compensation Practices
	<ul style="list-style-type: none"> • The financial targets are based on reasonable targets in MCAN's annual budget and strategic plan that is recommended by management and approved by the Board. • MCAN has no stock option plans that may reward executives for short term or exogenous factors. • MCAN has no golden handshake agreements. Management contracts and termination payments are based on common law requirements and industry practice.

TOTAL COMPENSATION

BASE SALARY

The base salary component of the program is intended to recognize the contribution to MCAN of each NEO, to provide the respective officer with a level of income certainty and to attract, retain and motivate MCAN's officers. Base salaries and total compensation for executives are determined relative to positions with equivalent responsibilities and scope within a comparator group.

The base salary for the CEO is reviewed annually by the CRCG&HR Committee. The CRCG&HR Committee conducts an annual review of the CEO's performance (which process involves gathering input from all Board members). Based upon this review, the CRCG&HR Committee makes recommendations to the Board regarding appropriate adjustments, as needed, to the CEO's base salary. In 2019, the Board also conducted a 360 performance process with an outside specialist as an added tool to the CEO assessment. The Board makes the ultimate decision regarding the base salary paid to the CEO.

The CEO reviews the base salaries of the other NEOs on an annual basis in connection with the CEO's review of the other NEOs' performance in the prior year. Following the completion of the reviews of performance and salary, the CEO makes a recommendation regarding base salaries to the CRCG&HR Committee who in turn makes a recommendation to the Board regarding appropriate adjustments, as needed, to the base salaries of the NEOs. The Board makes the ultimate decision regarding the base salaries paid to the NEOs.

The CEO's overall performance is also evaluated annually by all the directors, excluding the CEO, using an evaluation/rating questionnaire based on the following qualitative performance factors:

- Vision
- Leadership
- Ability to Achieve Corporate Strategic Goals
- Integrity
- Succession Planning
- Shareholder Relations
- Stakeholder Relationships
- CEO/Board Relationships

The results of this questionnaire feed into the CRCG&HR Committee annual review and are used to help ensure continuous confidence in the CEO's leadership role within MCAN.

ANNUAL INCENTIVE PLAN

The annual incentive plan was designed to motivate and reward executives for their role in achieving objectives approved by the Board in the annual budget and longer-term business plan. The plan was in place to compensate the NEOs for achieving specific outcomes aligned with the Corporation's strategic objectives and risk appetite and to link their compensation directly to performance of the Corporation over the year, with the aim of enhancing long term profitability.

The amount of each NEO's annual incentive is made up of a "Company Performance Component" and an "Individual Performance Component". The Company Performance Component is based on corporate performance against specified financial targets. The Individual Performance Component is comprised of personal performance objectives that are recommended each year for the NEOs (other than the CEO), by the CEO and approved by the Board, and for the CEO, by the Chair of the Board and approved by the Board. Annual incentives are only paid if the NEO is actively employed at the time of payment.

For fiscal year 2019, the weighting between the Company Performance Component and Individual Performance Component was as follows:

NEO	Company Performance Component		Individual Performance Component
	EPS	CORE EBT	
CEO ⁽¹⁾	N/A	N/A	N/A
VP, CFO	30%	30%	40%
VP, Investments	30%	30%	40%
VP, SMFO	30%	30%	40%
VP, CRO	20%	20%	60%

Notes:

- i) See Summary Compensation Table on page 40 for arrangements with the CEO.

The Company Performance Component is based on achievement of both EPS and CORE EBT relative to the annual target. Each component is weighted at 50%. In 2019, EPS at Target was \$1.46 and scaled from \$1.16 (\$0.30 below Target) for Threshold to \$1.76 (\$0.30 above Target) for Maximum. In 2019, CORE EBT for Target was \$10,223,000 and scaled from \$7,286,000 for Threshold to \$12,267,000 for Maximum.

The Individual Performance Component is based on performance of the executive against specific objectives linked to the Corporation's strategic plan, including measures or targets related to strategic direction, financial capital and liquidity plans, risk management and controls, business operating effectiveness, leadership and people management, and governance and management. Results are weighted based on the objectives and the related performance level. Achievement of objectives as expected results in an annual incentive entitlement at the Target level; less than expected achievement results in an annual incentive entitlement at the Threshold level; outstanding achievement results in an annual incentive entitlement at the Maximum level. Failure to achieve the Threshold level of performance for individual performance disqualifies NEOs from participating in the annual incentive plan.

The Board appointed Karen H. Weaver as MCAN's President & CEO effective May 8, 2019. Prior to her appointment, Ms. Weaver served as MCAN's Interim CEO effective October 9, 2018. LONG TERM INCENTIVE PROGRAMS (“LTIP”)

The Corporation's LTIP is a comprehensive plan that aligns the interests of executives and shareholders, rewards achievement of sustained long-term performance and attracts and retains executives. LTIP includes the Performance Share Unit Plan (“**PSU Plan**”), Performance Deferred Share Unit Plan (“**PDSU Plan**”), Restricted Share Unit Plan (“**RSU Plan**”), Deferred Share Unit Plan (“**DSU Plan**”) and the Executive Share Purchase Plan (the “**ESP Plan**”).

PERFORMANCE SHARE UNIT PLAN

The PSU Plan was established by the Board in August 2016, to align the LTIP and deferred annual incentive plan compensation with shareholder interests and future targets set for the Corporation’s performance.

Pursuant to the PSU Plan, the Board grants units to certain NEOs and other officers and members of senior management of the Company (the “**PSU Participants**”). Each unit is equivalent in value to one Common Share of the Company. Issuances prior to 2019 vest three years subsequent to the awarding of the units, subject to continued employment with the Company and dependent on the achievement of EPS in the year prior to vesting. Units issued in 2019 and thereafter have annual performance targets and vest after three years. The individual unit values are based on the value of the Company’s Common Shares at the time of payment.

PSU Participants are entitled to receive dividend distributions in the form of additional units during the vesting period. Furthermore, a “Performance Factor” of 0-150% is applied to the number of units awarded which is based on annual EPS targets for units issued in 2019 and annual EPS and CORE EBT targets for units issued in 2020.

The units granted under the PSU Plan may be either PSUs or PDSUs. PSU issuances prior to 2019 are paid in cash at the time of vesting. PSUs issuances in 2019 and thereafter are paid in cash three years from the issuance date, provided that the units have vested. PDSUs are paid in cash at retirement or termination, whichever is earlier, provided that the units have vested. Additionally, the PDSUs earn dividends subsequent to vesting until the retirement or termination, whichever is earlier.

The PSU Plan transactions for the financial year 2019 are as follows: a total of 39,359 new PSUs or PDSUs were granted to the PSU Participants; 6,162 PSUs or PDSUs, as applicable, were issued to the PSU Participants as a result of dividend distributions; and 8,970 PSUs were forfeited by PSU Participants. On August 24, 2019, 16,802 PSUs or PDSUs vested but were not paid out as the EPS target was not met for this period, resulting in an award amount of nil. The aggregate outstanding PSUs and PDSUs as at December 31, 2019 is 78,853. As at the date of this Circular, 27,265 additional PSUs and PDSUs were issued pursuant to the 2020 LTIP grant, 26,477 PSUs or PDSUs vested but were not paid out as EPS target for the period was not achieved; and no PSUs or PDSUs were forfeited.

RESTRICTED SHARE UNIT PURCHASE PLAN

The RSU Plan was established by the Board in August 2013, at which time the Board granted units under the RSU Plan to certain NEOs and certain other employees (the “**RSU Participants**”). Each RSU is equivalent in value to one Common Share. The RSUs vest after three years, at which time the RSU Participants are entitled to receive a cash payment based on the average market value of the Common Shares for the five days preceding the payment date. In addition, the RSU Participants are entitled to receive dividend distributions in the form of additional RSUs during the vesting period. The Board expects to consider RSU grants on an annual basis based on performance.

The RSU Plan transactions for the financial year 2019 are as follows: 43,284 new RSUs were granted to the RSU Participants; 3,303 additional RSUs were issued to the RSU Participants as a result of dividend distributions; 4,882 RSUs vested and were paid out to RSU Participants; and 6,571 RSUs were forfeited by RSU Participants. The aggregate outstanding RSUs as at December 31, 2019 is 50,456. As at the date of this Circular, 24,357 additional RSUs were issued pursuant to the 2020 LTIP grant, 3,434 RSUs vested for the period and were paid in accordance with the plan; and no RSUs were forfeited.

DEFERRED SHARE UNIT PLAN

The Deferred Share Unit Plan (the “**DSU Plan**”) was established by the Board in 2010 to grant DSUs under the DSU Plan to certain members of senior management of the Company (the “**DSU Participants**”). Each DSU is equivalent in value to one Common Share of the Corporation. Following their individual retirement/termination dates, the DSU Participants are entitled to receive cash for each DSU. The individual DSU value is based on the average market value of the Common Shares for the five days preceding the retirement/termination date. In addition, the DSU Participants are entitled to receive dividend distributions in the form of additional DSUs. The DSUs follow a graded vesting schedule over three years. All dividends paid after this three-year period vest immediately.

During the year no DSUs were granted to the DSU Participants; 560 additional DSUs were issued to the DSU Participants as a result of dividend distributions; and 12,810 DSUs were cancelled as per the terms of the plan. As at the date of this Circular, the aggregate outstanding DSUs is nil.

EXECUTIVE SHARE PURCHASE PLAN

The ESP Plan was established by the Board and approved by the TSX in 2002. The ESP Plan provides executives with the opportunity to purchase Common Shares through interest-bearing loans up to an amount not exceeding two times such executive's base salary. The ESP Plan was developed for better alignment between the interests of management and the interests of shareholders and to compensate the NEOs and other executive officers for their individual performance.

The aggregate number of Common Shares which may be issued pursuant to the ESP Plan may not exceed 480,000 (representing approximately 2.00% of the outstanding Common Shares), provided that the number of Common Shares which may be issued pursuant to this ESP Plan together with Common Shares which may be issued pursuant to any other share-based compensation arrangements of MCAN may not exceed 10% of the outstanding Common Shares and the number of Common Shares which may be issued pursuant to the ESP Plan to any one person may not exceed 5% of the outstanding Common Shares.

The Corporation amended its ESP Plan in 2019. On March 21, 2019, the Board approved an amendment to the ESP Plan that precludes the granting of awards under the ESP Plan before the sixth day after the end of a black-out period.

Common Shares issued from treasury may be issued pursuant to the ESP Plan at the weighted average trading price for the 20 days preceding such issuance. A total of 360,802 Common Shares (representing approximately 1.49% of the outstanding Common Shares) have been issued pursuant to the ESP Plan since the ESP Plan was adopted and, as of the date of this Circular, 119,198 Common Shares (representing approximately 0.49% of the outstanding Common Shares) remain available for issuance under the ESP Plan. During 2019, the Company did not advance any new loans pursuant to the ESP Plan.

The loans advanced bear interest at prime plus 1%. MCAN, at its discretion, may reimburse the executive officers the interest amount in connection with loans provided pursuant to the ESP Plan as part of their compensation. Dividends on the Common Shares are used to reduce the principal balance of the loans as follows: 50% of regular dividends and 75% of capital gains dividends. The loans have a five-year renewable term and there are no restrictions on early repayment. Common Shares acquired pursuant to the ESP Plan are pledged as collateral for the loans for so long as the relevant loans remain outstanding.

This ESP Plan is reviewed periodically to ensure that MCAN is able to attract and retain a senior management team that will drive long-term growth and profitability. The Board also sets an annual cap on the aggregate amount of the outstanding loans to each NEO or other executive officers, such that the officer's purchase of Common Shares in the year is also subject to that cap.

OTHER INCENTIVE PLANS

EMPLOYEE SHARE OWNERSHIP PLAN

The ESOP was established by the Board in 2000 and amended and restated effective January 1, 2015, and January 1, 2017, to enable employees of MCAN to purchase Common Shares of the Corporation in a convenient and systematic manner and to encourage continued long-term employee interest in the operation, growth and development of the Corporation. Participation in the ESOP is voluntary. A participating employee may contribute no more than 6% and no less than 1% of his or her annual salary into the ESOP and MCAN will contribute 50% of the employee's contribution, up to a maximum of 3% of the employee's base salary. Contributions are used to acquire Common Shares on the open market. Effective January 1, 2017, a participating employee may elect to hold all or part of the Common Shares acquired with any contribution in a tax-free savings account in the form prescribed by MCAN (the "Group TFSA"). The ESOP is administered by Computershare and Computershare has been appointed by MCAN to act as trustee for the Group TFSA.

For purposes of the ESOP, Common Shares acquired with an employee's contribution vest immediately. Two withdrawals or transfers of Common Shares are permitted in a calendar year. A third withdrawal or transfer results in a suspension of MCAN's future contributions to the employee's plan for a period of twelve months. Under the terms of the ESOP prior to January 1, 2017, Common Shares acquired with MCAN's contribution to the ESOP vested on November 30th of the year in which the Common Shares were acquired. Unvested Common Shares could not be withdrawn or transferred until November 30th of each year. Effective January 1, 2017, Common Shares acquired with MCAN's contributions to the ESOP vest immediately and are treated in the same manner as employee contributions.

DEFERRED PROFIT SHARING PLAN

The DPSP is a component of the retirement savings plan for all eligible employees and is supported entirely by contributions made by the Corporation. Under the DPSP, an employee may contribute up to 7% of his or her annual salary, depending on years of service (up to a maximum of \$13,250 for 2019), to a group registered retirement savings plan for MCAN's employees and MCAN matches such employee contributions with contributions to the DPSP. While an employee has fully vested rights to contributions made to the DPSP, no withdrawals are permitted from the DPSP while an individual is employed by the Corporation.

PERFORMANCE GRAPH

The following graph compares MCAN's cumulative total shareholder return (assuming an investment of \$100 on December 31, 2014) on its Common Shares during the period from January 1, 2015 to December 31, 2019, with the S&P/TSX Composite Index (Total Return), assuming reinvestment of all dividends.

	Dec 31 2014	Dec 31 2015	Dec 31 2016	Dec 31 2017	Dec 31 2018	Dec 31 2019	Compound Annual Growth
MCAN	\$100.00	\$92.20	\$118.08	\$141.56	\$129.91	\$180.34	12.5%
S&P/TSX Composite Index	\$100.00	\$91.68	\$111.01	\$111.01	\$110.34	\$135.59	6.3%

The compensation paid to MCAN's NEOs is not contingent upon the performance of the Common Shares on the TSX except to the extent of the applicable NEO's participation in the DSU Plan, the RSU Plan, the PSU Plan and the PDSU Plan. In 2017, annual incentives awarded were based on adjusted EPS and personal performance factors. In 2018, annual incentives awarded were based on EPS and personal performance factors. For 2019, annual incentives were based on EPS, CORE EBT and personal performance factors.

MCAN outperformed the TSX Composite Index over the past five years other than in 2018. We believe the positive trend in total shareholder returns is based on various internal and external factors and in part on the trend in MCAN's earnings per Common Share, return on shareholders' equity and dividend payments.

COST OF MANAGEMENT RATIO

To demonstrate the link between NEO compensation and the Corporation's performance, the following table shows the total cost of compensation to the NEOs as a percentage of the Corporation's net income for fiscal year 2019 and 2018:

2019	\$2,803	\$48,294	5.80%
2018	\$2,412	\$36,293	6.60%

DIVIDEND REINVESTMENT PLAN

In 2011, MCAN received approval from the TSX to amend and restate its dividend reinvestment plan effective November 11, 2011 (the “**Dividend Reinvestment Plan**”) to, among other things, provide eligible participants with a 2 per cent (2%) discount on the purchase of Common Shares issued from treasury. Prior to the amendment, Common Shares purchased from treasury under the Dividend Reinvestment Plan were issued by MCAN without any discount to the “average market price” (as such term was defined in the prior plan). Pursuant to the amended terms of the Dividend Reinvestment Plan, the discount is effective until further notice from MCAN. Notwithstanding the foregoing, MCAN continues to reserve the right to deliver Common Shares purchased on the open market, in which case the discount would not apply.

Pursuant to the Dividend Reinvestment Plan, as amended, cash dividends paid to participating holders of Common Shares (less any applicable withholding taxes) are automatically reinvested in Common Shares purchased by Computershare, as agent, at MCAN’s discretion, either (i) on the open market at market prices or (ii) from treasury at the weighted average trading price for Common Shares on the TSX for the five (5) trading days preceding the relevant dividend payment date less a discount of 2 per cent (2%).

There are no commissions, service charges or brokerage fees payable by participants under the Dividend Reinvestment Plan, except where purchases of Common Shares under the Dividend Reinvestment Plan are made on the open market. Such purchases are made through registered brokers whose fees are included in determining the average weighted cost to participants of Common Shares so purchased. All other administrative costs of the Dividend Reinvestment Plan, including the fees and expenses of Computershare, as agent, are borne by MCAN.

A copy of the Dividend Reinvestment Plan and a form permitting registered shareholders to elect to participate in or withdraw from the Dividend Reinvestment Plan are available by calling MCAN’s Corporate Secretary at (416) 591-5214, and a copy of the Dividend Reinvestment Plan is also available on MCAN’s website at www.mcanmortgage.com under the heading “Investors” or on SEDAR at www.sedar.com. Beneficial owners of Common Shares must make arrangements with the financial institution or stock brokerage through which they hold their Common Shares to become a participant in the Dividend Reinvestment Plan. Once a registered holder or a beneficial owner has enrolled in the Dividend Reinvestment Plan, participation continues automatically unless terminated by the participant in accordance with the terms of the Dividend Reinvestment Plan.
