The terms and conditions for MCAN's term deposits as they appear on our confirmation are as follows:

This is a confirmation of the issue on the books of MCAN Mortgage Corporation (the "Corporation") of a Term Deposit issued on the Issue date, in the name of the Holder ("Holder") named under Registration, for the Principal Sum, bearing interest at the Interest Rate, for the Term and maturing on the Maturity Date, each as set forth on the face of this Confirmation. No physical term deposits are ordinarily issued by the Corporation.

The Principal Sum of a term deposit will be repaid by the Corporation, with interest to the date of payment, on the Maturity Date or prior thereto upon the death of the Holder, at the option of the Holder's legal representative upon presentation to the Corporation of appropriate documentation in form satisfactory to the Corporation; provided however, that this prepayment option shall not be applicable if this Confirmation identifies the Holder as being Non-Resident Tax Exempt.

Rates are annual fixed rates which apply to both registered and non-registered term deposits. Interest will accrue from the issue date to the maturity date. Interest is paid at maturity for short term deposits. For long term investments, interest options are annual payment or annual compound.

If Interest Payment is stated to be annually, the annual payments will be paid to the Holder commencing on the anniversary date of the Issue Date and continuing until the earlier of the Maturity Date or the date of early repayment.

Interest Payments and repayment of the Principal Sum of a term deposit will be made by the Corporation to the Holder by cheque as indicated on the face of the Confirmation. Payments made by cheque are deemed made upon delivery or deposit in the mail.

A term deposit and the rights of the Holder thereunder are assignable and transferable, except if the Holder is a registered tax-deferred plan or fund.

There are no fees to purchase a term deposit with MCAN. For agent transfer or re-registration, a fee of \$25 is required per transaction.

These conditions are subject to amendment, supplement or variation by further conditions, if any, referred to on the face of this Confirmation.
