Investor Presentation

August 8, 2023

Forward Looking Information

This presentation may contain forward-looking information within the meaning of applicable Canadian securities laws, including statements regarding the business and anticipated financial performance of MCAN Mortgage Corporation d/b/a MCAN Financial Group and its subsidiaries (the “Company”). These statements are based on current expectations and are subject to a number of risks and uncertainties that may cause actual results to differ materially from those contemplated by the forward-looking statements. Some of the factors that could cause such differences include legislative or regulatory developments, competition, technology changes, global market activity, interest rates, changes in government and economic policy, general economic conditions in geographic areas where MCAN operates and the impact of, and responses to, a pandemic. Often, but not always, forward-looking information can be identified by the use of words such as “may,” “believe,” “will,” “anticipate,” “expect,” “planned,” “estimate,” “project,” “future,” and variations of these or similar words or other expressions that are predictions of or indicate future events and trends and that do not relate to historical matters.

The Company cautions readers not to place undue reliance on forward-looking statements when making decisions, as many risks and uncertainties could cause actual results, performance or achievements to be materially different from any future results, including those described in the Company’s annual information form, management’s discussion and analysis and other documents filed under the Company’s profile on SEDAR+ at www.sedarplus.ca. Certain statements included in this presentation may also be considered a “financial outlook” for purposes of applicable Canadian securities laws. The Company presents its outlook to assist shareholders in understanding management’s assumptions and expectations on how the future will impact financial performance of the Company, and as such, these statements may not be appropriate for purposes other than this presentation. The Company does not undertake to update any forward-looking statements, whether oral or written, except as required by securities laws.

Non-GAAP and Other Financial Measures

This investor presentation references a number of non-GAAP and other financial measures and ratios to assess the Company’s performance such as return on average shareholders’ equity, spread of corporate mortgages over term deposit interest and expenses, net corporate mortgage spread income, and book value per common share. These measures are not calculated in accordance with International Financial Reporting Standards (“IFRS”), are not defined by IFRS and do not have standardized meanings that would ensure consistency and comparability between companies using these measures. These metrics are considered to be non-GAAP and other financial measures and are defined and reconciled to the most directly comparable IFRS measure in the “Non-GAAP and Other Financial Measures” section of the Company’s Q2 2023 MD&A available on SEDAR+ at www.sedarplus.ca, which section is incorporated herein by reference.

MCAN's Business Model

Uniquely structured as a flow-through Mortgage Investment Corporation ("MIC"¹)

- not taxed at the corporate level
- distributes all taxable earnings annually
- 67% of non-consolidated tax assets required to be held in residential mortgages and cash

Federally Regulated Financial Institution since 1991

- strong governance and risk management practices throughout the company
- lower cost of liability funding vs MIC peers
- experience managing the business through many housing and real estate cycles

LONG TERM OBJECTIVES

- Sustained **10% average annual growth of assets**
- Sustained **13-15% ROE**
- Sustained and prudent **dividend growth**

¹MCAN is a Mortgage Investment Corporation ("MIC") under the *Income Tax Act* (Canada). A MIC is a flow-through vehicle that is able to deduct from income for tax purposes dividends paid within 90 days of year-end. The Company expects to pay sufficient dividends to ensure that it is not subject to income taxes in the MIC entity. MCAN would be subject to tax at a statutory tax rate of 38% to the extent that it does not pay sufficient dividends to eliminate its taxable income.

MCAN Value Proposition

We differentiate ourselves from MIC peers with:

- 1. A lower risk profile; and
- 2. Higher returns driven by lower funding costs.

We differentiate ourselves from OSFI-regulated peers with:

- 1. Our construction and other investment portfolio focus.

MCAN Value Proposition

Unique Business Model with Strong Fundamentals

- **\$4.4 billion of total assets**, including \$2.2 billion corporate mortgage portfolio, \$1.8 billion securitized mortgage portfolio and **meaningful corporate investments**
- 100% owned **origination platform (MCAN Home)**, deep third-party **originator and broker relationships, strong construction and commercial book** and **diverse investments portfolio**
- Unique corporate structure as the **only Mortgage Investment Corporation (MIC) that is OSFI-regulated**
 - **Lower risk profile** than peer MICs with access to **low-cost deposit funding, efficient management of balance sheet and business processes** and **securitization market**
 - As a MIC, **not taxed at the corporate level**
 - As an OSFI-regulated entity, have **strong risk management** and governance practices

Attractive Financial Profile & Growth

- **Long term average corporate asset growth above 10% target**
- YTD Q2 2023 return on average shareholders' equity¹ of 15.51%
- **~14% average 10 year return on average shareholders' equity¹**

Data presented at June 30, 2023

¹ Considered to be a non-GAAP and other financial measure. For further details, refer to the "Non-GAAP and Other Financial Measures" section of this investor presentation. MCAN Value Proposition

Investment Portfolio a Source of Nascent Value

- ~**14% ownership in MCAP**, Canada's largest independent mortgage finance company (majority owned by CDPQ), **generates substantial income** and represents **a significant source of growth**
- Unique opportunity for investors to participate in **top tier private real estate investment vehicles**
- Expertly managed **portfolio of REIT securities** held for current return and capital appreciation

Seasoned Management Team with Industry Track Record

- Driven management team with **significant experience in leadership positions at marquee companies** across Canadian financial services and real estate sectors
- **Track record** of managing higher growth businesses with diversified capital structures

Consistent and Attractive Dividend Income

- History of **recurring regular dividends**:
 - Current quarterly dividend of \$0.38 per share
- Special stock dividend of \$0.97 per share declared and distributed in March 2022²
- **Dividend yield of approximately 9.6%¹ and 10-year total shareholder return of approximately 11% (annualized)**

Data presented at June 30, 2023

¹ Based on closing price of MCAN common shares on the TSX of \$15.36 on June 30, 2023.

² MCAN expects to have taxable income per share greater than regular cash dividends for 2023

Spotlight: Residential Mortgage Deal

People-first mortgage solutions designed for real life

We help young Canadians who are seeking alternative ways to enter the Canadian real estate market despite historical market obstacles.

THE CHALLENGE

Intense competition, decreased supply and increasing property valuations have pushed Canadians to consider non-traditional approaches to home ownership

THE SOLUTION

Co-ownership of an investment property in a non-major urban area offers the opportunity to build wealth for three young Canadians and close friends purchasing under a holding company

THE HIGHLIGHTS

Our residential lending team underwrote the loan, with consideration to unique deal aspects:

- Alternative lending area
- Investment property
- Co-ownership agreement
- Holding company

Construction and Commercial Lending

- Primarily residential construction loans for more affordable housing
- Focus on urban/suburban growth markets in ON, AB, BC with proximity to transit

Marketable Securities

- Expertly managed REIT portfolio
- Larger market capitalizations and diversification

Non-Marketable Securities

- Private real estate funds
- Investing with experienced originators and developers in Canada
