Notice and Access

As permitted by the Canadian Securities Administrators and pursuant to an exemption from the proxy solicitation requirement granted by the Office of the Superintendent of Financial Institutions (Canada), we are using notice-and-access to deliver our management information circular (“Circular”) and our annual financial statements and related management’s discussion and analysis for the financial year ended December 31, 2024 (the “Annual Report”, and together with the Circular, the “Meeting Materials”), to both registered and non-registered (beneficial) shareholders. This means that instead of receiving a paper copy of the Meeting Materials, you are receiving this notice, which provides information on how to access these Meeting Materials online. You will also find below information on how to request paper copies of these Meeting Materials if you prefer. Adopting notice and access allows us to reduce our printing and mailing costs and contributes to the protection of the environment by reducing paper and energy use. A form of proxy (if you are a registered shareholder) or a voting instruction form (if you are a non-registered shareholder) is included with this notice, and each includes instructions on how you can vote your shares at our 2025 Annual and Special Meeting of Shareholders.
